

# SCHOOL PROGRAMS

2023–2024

Joslyn Art Museum is still closed and, with reopening on the horizon, we are pausing many of our live and/or in-person school and teacher programs for now. This breathing room ensures that the Museum's learning and engagement opportunities will return as fresh and exciting as our new addition. We remain committed to supporting your visual arts enrichment needs through digital resources.

## Teacher Workshops

### Pre-Recorded Artful PD

During the 2020–2022 school years, we offered a virtual version of the popular Thursdays for Teachers program. Those sessions were recorded and are available by request. Choose from a variety of topics such as *Art Appreciation: Create, Present, Respond, Connect*; *Leadership: Making a Difference*; *Faces from the Interior: The North American Portraits of Karl Bodmer*, and more. Each recording includes a brief introductory talk, looking exercise, and art-making activity.

## Distance Learning

### Pre-Recorded Programs

Enrich your lessons with free pre-recorded Distance Learning Packages which include virtual Museum tours and deeper explorations, writing prompts, looking activities, and assessments in the following themes: *Art Appreciation: Create, Present, Respond, Connect*; *Native Americans: 1800s to Today*; and *Leadership: Making a Difference*.
