Joslyn Members: $272; General Public: $320 (payment plans available)

This 24-week visual arts program introduces students to Joslyn’s collections and exhibitions with sequential art instruction in six media—drawing, painting, pottery, printmaking, sculpture, and fiber arts. Students explore each medium, while building art skills and concepts at age-appropriate levels. Joslyn Art School’s museum setting provides a one-of-a-kind opportunity for students to encounter original works of art, to experiment in related art media, and learn from a professional staff committed to providing individual challenges and guidance.
