The Museum's original 1931 building is one of the finest examples of Art Deco architecture in the nation, with 38 types of marble from seven countries. The Walter and Suzanne Scott Pavilion, a 58,000-square-foot addition built in 1994, was designed by renowned British architect Norman Foster as his first U.S. commission. The Museum features galleries, a 1,000-seat concert hall, fountain court, education technology gallery, lecture hall, classrooms, sculpture garden, café, and shop.
