(Omaha, NE) – Presented by Joslyn Art Museum Association (JAMA), *BARE Evolution: Closing Party Celebration* is a fundraising event unlike any other experience in the Museum's history. Held one month after Joslyn's closure to the public, and just before staff relocate offsite, the evening's festivities will take place in empty galleries. With all art removed from the walls, the bare spaces will give guests an opportunity to experience a Museum poised for change and ready for the future. Do not miss out on this final night at Joslyn Art Museum as it has never been seen before!

*BARE Evolution: Closing Party Celebration* is **Saturday, June 4, at 6 pm** at the Museum. Event chairs are Marlina & Dusty Davidson and Rae & Bill Dyer. JAMA president is Jan Brockman. Innovative, live performances take interactive art to a new level at this event! Guests will encounter costumed performers (sporting everything from angel wings to a peacock train), plus a contortionist, ballerina, stilt walker, and more—all interpreting works in Joslyn's collection. Passed hors d'oeuvres and a performer strolling in a champagne skirt will begin the evening that features premium cocktails, gourmet food stations (from charcuterie to seafood, beef tenderloin to grilled lamb chops), desserts, and vibrant turntable music by DJ Kethro in the Storz Fountain Court. Specialty sofa seating and dining tables will be positioned throughout the galleries.

Closing party celebration attire is creative cocktail. Valet parking available. Tickets: \$150 individual; sponsorship opportunities begin at \$2,500. Proceeds from the event support the Museum's education and community outreach programs. Reservations: <https://bit.ly/JAM-BARE-Evolution>
